## **D.O.A. by Morgan Strebler and SansMinds - DVD**

Throughout human history, people have used various of methods to control pulses.

What would you do if you have the ability to control not only your own pulse but also someone else's pulse.

Imagine yourself recreating the effect on any innocent spectator causing their pulse to stop and technically die for a brief moment.

An insane concept that no performer has ever dreamed of.

D.O.A. is a revolutionized approach to achieve this miracle. Morgan Strebler, Mentalist of The Year 2015, has invented a devious method to achieve a pulse stop effect with no gimmick at all.

This powerful routine simply kills.
