DENAIL by Eric Ross and SansMinds Creative Minds

Throughout history removing nails has been used as human torture. The feeling of a tiny cut is amplified by a 1,000 times by our brains. Eric Ross and SansMinds Creative Minds will now allow you to bring this amazing, spine-tingling effect to your audiences.

IMAGINE... forcefully pulling your fingernail off your finger... SHOWING it to your spectator, HAVING them touch it...then INSTANTLY heal.

- Impactful and memorable
- Great for walk around and street magic
- Perform surrounded
- Instant Reset
