
Senti-Mentalism by Luca Volpe and Titanas Magic - DVD

Mentalism is the last frontier. Such an intimate, engaging and direct experience. Luca's unique style will show you why it is important to move them emotionally.

Contents:

Unlock your dream

A lady is able to find the only key amongst several that will open a lock, through the power of her subconscious mind. She is then able to unlock her dream, which will be revealed by the mentalist. No gimmicks, no pre-show, a standard lock is used. A very emotional and empowering routine.

Emotional drawing

An impossible drawing duplication under test conditions. Requires only a few business cards and one envelope.

The mind journey

For the very first time Luca Volpe will explain his take on the one ahead principle. A mixture of different concepts that will create an impossible and stunning effect for your audience. Many professional performers have said that this routine alone is worth the price of the entire dvd.

Pin number revelation

Guess your spectator's pin number in a logical sequence! Also perfect for stage performances.

Crystals prediction

Predict the position of three crystals that have been randomly mixed by the spectator. A new take on a classic with an added emotional twist.

Subliminal message

Influence people's choices using three coloured envelopes and a subliminal message.

Key of your mind

A very emotional routine that contains multiple moments of amazement. A very bold method that you will love!
