
Sharpie BUG Writer by Vernet

Make your predictions **PERMANENT!**

Now you can secretly write anything with Sharpie ink! You have the ideal combination: the perfect writer and the best holder!

*The **Sharpie BUG Writer** has the perfect grip and great stability due to its anatomical design and ultra stick surface. The **Sharpie BUG Holder** has the property of keeping the **Sharpie BUG Writer** always charged with ink.*

It also allows you to have the writer always handy, ready to use and safely stored. If that's not enough the set includes an extra bottle of ink that will last forever!!!

*It writes exactly like the **Sharpie Marker***

- *Ultra safe*
- *Comfortable*
- *Always ready*
- *Real ink*
- *Perfect grip*
- *Write as many as 20 number each time*
- *It recharges in 5 seconds*
