## Three in One (Half Dollar) Set (D0173) by Tango

Another great idea of Marcelo Insua, the creator of Tango Magic products. This is a set of 3 coins that seems to be only one. You can perform many routines with this set.

For example, show 3 coins in your hand and put one coin in your pocket, open your hand and show once again 3 coins, repeat it twice and you always have 3 coins in your hand, finally show very clear the 3 coins in your hand, take only one put it in your pocket and when open your hand the other coins disappeared.

In this package you will find a finely crafted gimmicked coin set produced by **Tango Magic**.

**Tango Magic** produces the highest quality gimmicked coins in the world. Tango stands behind their products to guarantee your success.
