
Larry Jennings in Paris, France (2 DVD set) - DVD

Larry Jennings (1933-1997) is the great hero of 20th century card magic. Successively a sailor, a combustion engineer, a plumber and of course a magician, this kind of man leaves no one indifferent: his charisma as well as his technical skills and his creativity are an inspiration to all magic enthusiasts.

His visit in Paris in 1995 allowed this historical shooting where you can find his greatest masterpieces, as well as some never before recorded secrets.
