
Ninja+ Deluxe BLACK (Gimmicks & DVD) by Matthew Garrett

"Holyshoot! Matthew had created a new and original trick. It works great both with Ninja Rings and on it's own."

- **Shoot Ogawa**, *Ninja Rings Master*

This instructional video series explains every move that Matthew uses. The explanations are clear and easy to follow. There are basic moves & a beginner's routine so you can quickly & easily perform this effect. There are also more advanced flourishes, moves & an advanced routine for sleight of hand workers.

Video contains both English and Spanish instructions.

You receive everything you need to make this effect possible.

The large rings are 4 1/2" (11.5cm) in diameter & are chrome plated.

The smaller rings are a high quality black and silver Tungsten Carbide.

(NOTE: Size of boxed finger ring prop will vary and choice of size is not available.)

"Absolutely Amazing!"

- **Derren Brown**

"Holyshoot!! Matthew has created a new and original trick. It works great both with Ninja Rings and on its own."

- **Shoot Ogawa, Ninja Rings Master.**

"I have thoroughly enjoyed fooling people with this. Thank you Matthew, you have a great idea here!"

- **Chris Capehart, Ringmaster.**

"Heartily recommended for close-up and walk-about. Ali Bongo, former President of the Magic Circle Ninja+ is the only magic effect I've bought in the last 2 years! That's not just a quote, it's the truth."

- **David Stone**

"The best linking rings routine ever!"

- **Justin Miller**

"I suggest buying Ninja+ soon as possible, a brilliant routine!"

- **Lee Smith**
