## **Dollar to Tic Tac by Twister Magic**

From the inventive mind of George Iglesias comes his new creation Dollar to Tic Tac!

Inspired by his successful Dollar to Credit Card 2.0 and Dollar to Bubble Gum, this time George brings us this new and fresh version, even smaller than before!

Show a dollar bill and in the blink of an eye transform it into a pack of Tic Tacs of any color! You choose if it becomes white, orange, cinnamon, pink or other. The cool thing is that once you have transformed the bill into the Tic Tac pack, you can then pass out the Tic Tac pack for your audience to examine.

Comes with everything you need to perform the trick. Self contained, open the box and perform it right away!

- \* Visual and portable magic!
- \* Very easy to do!
- \* Perform it with any currency!
- \* Can customize your own gimmicks

Inside your package you will get:

- A real dollar bill and gimmick already made
- Two special gimmicked boxes (orange and mint flavor)
- Extra gimmicks to customize to your own currency
- An instructional online VIDEO with full instructions
