
Visualize by Brendan Rodrigues and RSVP Magic - DVD

Brendan Rodrigues is fast establishing himself as one of the go to magicians on the upmarket London party scene. With his unique style of magic, it's taken us nearly three years to talk him into doing this project, but it's finally here! All of Brendan's magic is visual, snappy and immediate. Best of all there are NO CARD TRICKS INVOLVED.

This is "Visualize":

Crystal Ball Opener - A stunning crystal ball routine that is both magical and mystifying. Techniques taught include which balls to use, care and attention, palm spin, The Enigma Move, The Push Thru, The Vibration, The Invisible Thread and The Amazing Droplet Productions. It's the perfect opener!

Elasticated Energy - Brendan's take on Crazy Man's handcuffs with his amazing Interweave finish explained in detail. The perfect end to any rubber band routine.

The Coins - A multi-phase coin routine featuring flourishes and the brilliant 5 coin challenge that is both amazing and easy to do!

The Pen & Heart - Another signature piece using just two sponge hearts and one pen. The most visual transposition routine ever, followed by an engaging heart routine that the ladies love!

Pen Flourishing - Brendan explains his pen flourishing techniques for the first time including the multi-pen-catch into the vanish and reappearance of the pens visually before their eyes. Mind popping magic at it's best!

3D Printing - Brendan's prized competition winning routine

Red Light Pen - just a regular d'Lite and pen create an eye popping piece of magic

Flourish Section - Using Pens, Coins and Finger Rings, Brendan shows you all the detail

Finger Exercises - Use these techniques to make all of your magic more fluid and correct
