
Oracle by Titanas - DVD

Titanas' mind is a playground of wonderful, magical concepts. Oracle is a shining beacon of his creativity.

A shrouded, classic card magic concept was reborn as Titanas transformed this concept, shortcutting all of the most tedious elements and ended up with a simplified, easy, yet incredibly powerful card effect that can be used anytime, any deck anywhere.

Oracle is one of the most versatile systems for creating an impossible coincidence as two spectators select a card and its mate, that has astounded even the most initiated magicians.

- Easy to learn.
- Simple to master.
- Predict any thought of card.
- Use any borrowed deck.
- No peeks, duplicates, etc.
