# Paul Harris Presents Skycap 2.0 (White) by Uday Jadugar and Luke Dancy

THE WORLDS SEXIEST BOTTLE CAP PENETRATION JUST GOT SEXIER!

New gimmick created and engineered by UDAY JADUGAR

From an idea by LUKE DANCY

- NEW SEMI-AUTOMATIC GIMMICK WITH IMPROVED BULLET-PROOF DESIGN
- NO SETUP! NO RESET!
- NOW AVAILABLE IN **RED, BLACK OR WHITE**
- NO CAP SWITCHES, NO PALMING

And even sexier than that: your **SKYCAP 2.0 can now be examined BEFORE and AFTER** your performance.

Yep, your spectator can completely examine the normal-looking bottle cap then screw it onto the normal empty bottle.

You then take the spec's rolled-up bill or a normal straw or pen and visibly push it through the cap and into the sealed bottle.

You can even let the spectator push it through the cap herself!

You then immediately hand out the capped bottle with the object trapped inside for full examination again!

And for maximum SKYCAP 2.0 joy... your fingers don't even have to touch the cap to activate the secret stuff.

SKYCAP 2.0 is always ready to astonish as there's nothing to prepare or reset. As soon as you complete a performance, SKYCAP 2.0 is ready to go for the next one!

## **SUPER EASY TO DO!**

SKYCAP 2.0 comes complete with Uday's tough new beautifully gimmicked cap, instructional download with routines plus the entire original SKYCAP 1 download.
