R & B Phenomena by Iñaki Zabaletta

The Parlor & Stage version of "Out of This World"

Without any doubt Paul Curry's "Out of This World" is one of all time's greatest miracles. But have you ever wished to perform it for 40, 80 or 300 people? Now you can.

With "**R & B Phenomena**" you can perform the most crystal clear version of OOTW in parlor and stage conditions and the audience will see it perfectly. Iñaki developed a diabolical method that had fooled everybody. This is the most direct, practical and easy version. You don't have to switch packets. Only 2 packets: one red and another black, that's all.

You can use any wine glasses (not provided).

You receive:

1 Special gaffed deck

1 Printed instruction with drawings (English)

A downloadable video file that includes a video performance and explanation in Spanish and English subtitled
