
On/Off by Nicholas Lawrence and SansMinds - DVD

A modern approach to the classic moving finger trick, making it a highly visual and impactful everyday miracle.

Imagine asking your spectator "Have you ever had a ring on your finger for too long and had a difficult time taking it off?" As you try to take the ring off your finger, you accidentally pop the finger off along with the ring!! It is an absolute bizarre moment that gets CRAZY reaction.

Multiple versions with single ring, double ring, no ring, and gimmick taught thoroughly in the ON OFF project.

** Gimmick included.
