
Limited Tango Card Red (T.L.C.) (C0006) by Tango

L.T.C., (*Limited Tango Card*) is a really crazy idea of Marcelo Insúa (a.k.a. Mr. Tango), you will receive a red bicycle card, this card will allow you to perform the best and classic card magic effects with a minimal sleight of hands.

Imagine being able to perform controls, forces, revelations, 4 aces routines, rising cards and everything with a minimal sleight of hands using just a special and undetectable bicycle card.
