
BIGBLINDMEDIA Presents Ryan Schlutz's Effortless Effects - DVD

Do you like super easy to perform card magic that requires almost **NO** sleight of hand but still packs a **MIGHTY** punch? If so, **RYAN SCHULTZ'S EFFORTLESS EFFECTS IS FOR YOU!**

Effortless Effects features seven full routines, all of which utilizes techniques that will absolutely decimate even knowledgeable magicians. So just **IMAGINE** how fooled normal spectators will be! There is no back tracking these effects, the methods are just too devious.

Incredibly easy to perform, each routine is a masterclass in how structure, psychology and ingenious thinking can create earth shattering magic. Magicians of any skill level will be able to perform the trick on *Effortless Effects*, and the results will be the same for all - a shellshocked audience.

And with no sleights to worry about this is 100% about having fun in presenting the tricks.

Ryan also delves into his ultra sneaky "**GAP Principle**" - a super simple to implement strategy that gives you outrageous control over the cards. Learn it in minutes - utilize it in your magic forever!
