
Winning Spinning Nickels (two pack) by Diamond Jim Tyler

SPIN & WIN!

Whoever said there was no such thing as a free lunch never owned a pair of Winning Spinning Nickels. This set of uncirculated 2013 nickels were machined but look ordinary to the casual observer. When spun one will always land heads up and the other tails up. With a little sleight of hand your mark will believe that you only have one coin. You can make them always win or lose! This might be the best investment you've ever made.

"Your spinning coins are the best ones out there. My dad would have loved knowing you. With your nickels I'm sure he would have made a killing!"
