
LIAR (DVD & Gimmicks) by Robert Baxt

The lie detector is a classic comedy premise that can now be done by anyone, singlehandedly, with a supplied gimmick that's extra loud for extra laughs!

Robert Baxt shows on this DVD how to easily and inexpensively make this gimmick into a security metal detector looking prop, along with examples of other props you can readily create.

Included:

Performance Footage

Bonus PDF File with 23 pages of Jokes, Gags, Bits, Lines, Routines, and Suggestions for this wonderful device

Funny gags that you can add to any show!

Comedy for STAGE or CLOSE-UP!
