
Profiles: The Social Mentalism Routine (DVD and Gimmick) by World Magic Shop - DVD

Profiles is a social media themed mentalism routine that fits in your wallet, and your audience can relate to.

Catfish: The reason to never date anyone online...

Date night: Predict every aspect of your spectator's night out!

Digits: Reveal the phone number from any girl's profile card.

Including full DVD instruction with Sean Hayden and Mark Shortland, performances & a set of custom designed and printed profiles cards.

The Profile Card Artwork is included on the DVD, so this can be added to your photo album on you phone. This allows you to perform Daniel Garcia's iATM move with the card.
