## **HEADLINE! (DVD and Gimmicks) by Murray Hatfield**

**This will be the most Talked-About routine in your show!**

The Magician has a volunteer select a card which is then lost in the deck. The magician tries to find the card but appears to have trouble. Just when it looks like the card is lost for good - both the *NAME* of the *CARD* and the *NAME* of the *SPECTATOR* are discovered in the **HEADLINE** of the daily paper!

More than just a card trick, **HEADLINE** is an fully fleshed out, 3 phase routine that ends in a memorable give-away that will be talked about for years!

*"I not only received a standing ovation but after the performance the guest of honor was having pictures with her newspaper and guests. Well it's rare for me these days to gush about a magic trick but I'll tell you I was grinning ( also because of a hefty tip and I'm sure Headline helped with that) all the way home after the performance. All presentation and such an impact. I could not be more pleased, and I'm sure this will be in my performance every chance I get!"*
