## **Infallible (DVD and Gimmick) by Mark Elsdon and Alakazam Magic - DVD**

Mark Elsdon has created one of the finest card and number prediction effects we have ever seen! Not only is Infallible a real world worker and self-working, it's also instantly repeatable!

Mark has added the idea of a fantastic video revelation that you text to you spectator and its left on their phone as a memento of the incredible feat!

For those of you who prefer the more traditional style of prediction, you can have a prediction in an envelope, written on the back of your business card or even sent to them in advance!

Infallible is a sure fire winner and an effect you can and will perform in every situation. Totally self-working and incredibly practical.

Comes with Special Infallible Deck & A full instructional DVD.
