
The Black Chest by Handsome Criss and Taiwan Ben Magic

There is something very mysterious and inexplicable about a simple black Chest...

A curious black chest sits on a table. This simple Chest is shown to be 100% empty. However, this is not the case.

The Magician reaches into this surreptitious Chest and takes out item after item. So many items in fact that they could not possibly fit into this small mysterious Chest!!! Unless by magic...

- Vanish Items
- Appear Items
- Change Items
- No Slush Powder Involved
- Very easy to perform, Many Possibilities
- Great for Stage, Close-Up or Parlor
- Beautifully made props with DVD instruction

THIS Black Chest is not simply an empty box but a well-crafted piece of modern apparatus!
