## **Dean's Coin Wallet by Dean Dill and Alan Wong**

### **Dean's Coin Wallet**

by Dean Dill and Alan Wong  
with Michael Weber's routine

This purse was a favorite of Dean's directly from his repertoire. It allows you to do coin switches within the purse secretly, and at the same time right in front of your audience. Use the coin wallet for your coin routines, billet switch, color predictions etc.

Include professional routine by Michael Weber using Dean's double sided coin wallet you can do an any number coin or exact change routine that is under one dollar. Any amount of change named will be the exact amount of coins inside the wallet.

Wallet made of top grade genuine leather and can be used as your everyday coin wallet. Written instructions included. This is a limited production
