## **Paul Harris Presents Pocket Bizarre by Peter Eggink & Paul Harris**

Peter's exquisitely engineered gimmick does it all. YOU CLEARLY SHOW THERE'S NOTHING STICKING OUT OF YOUR BACK POCKET...JUST YOUR BASIC INNOCENT BACK POCKET. YOUR HANDS ARE EMPTY AND NEVER COME NEAR THE BACK POCKET. AND YET...A bizarre moment later you turn to show your pocket again...and now THE CARD HAS SUDDENLY APPEARED...STICKING OUT OF YOUR POCKET! (And yes, the normal card can immediately be plucked out by a spectator).

NOTHING TO SECRETLY GRAB OR PULL. THIS IS THE EASIEST, CLEANEST, MOST AUTOMATIC WAY TO HAVE A VANISHED CARD SUDDENLY APPEAR STICKING OUT OF YOUR POCKET. And when you mix "Pocket Bizarre" with the classic PH "Bizarre Vanish"...then add some secret sauce from Peter...you have the Perfect Bizarre Astonishment!

Now you can have your spectator hold a single signed card WHERE IT INSTANTLY AND VISIBLY VANISHES FROM HER FINGERS. A moment later the signed card appears sticking out of your just-seen-empty back pocket! Peter's incredibly easy non-palm discovery is a joy to perform whether you're a beginner or professional.

And for even more BIZARRE FUN: Included are two more gasp-inspiring card vanishes: Glenn Morphew's Rub-a-Dub Deluxe and Jeremiah Zuo's Box Vanish. The pure power of these vanishes are impossible to describe. Just watch the demo to see for yourself!

Hands are nowhere near your back pocket before card appears.
