## Manoj Bottle (DVD & Gimmicks) by Manoj Kaushal

A BORROWED PEN, RING or even a small COOKIE melts through the SOLID bottom of an examined water bottle! NO PALMING. NO SWITCHES OR DITCHES. JUST A SIMPLE LOVELY MISPERCEPTION THAT OPENS THE "SWEET SPOT" FOR THE PERFECT PENETRATION.

Yup, You've seen a dozen coin-in-bottle effects. BUT the Manoj Bottle so FUN and **INGENIOUSLY PRACTICAL** it will instantly become your personal, EASY-WORLD, happy and glad FAVORITE!

Your borrowed and signed spectator **completely examines** the clear **bottom** of the bottle, it's **genuinely solid!** Yet a second later you **visibly push** her borrowed thingy right through the **examined bottom** and into the bottle.

The bottom can **immediately** be inspected **again...**there's **really nothing there** but solid clear plastic and the reflection of her astonished smile. The Manoj Bottle

- Borrow a bottle cap, ring, pen, coin, cookie etc.
- Borrowed object is the same one sealed inside the bottle.
- The borrowed thingy does not have to fit through the mouth of the bottle.
- Works with a wide variety of water bottles and can be prepared in ten seconds.
- Option to have water in the bottle during effect.
- Everything can be signed even the water.
- Bottle can be handed out before and after.
- NO RESET
- NO Duplicates
- NO Switches
- NO Magnets
- NO Thread
- NO Palming

A raw authentic astonishment with the simplest, cleanest method possible.

Do you really need another coin-in-bottle?

Only if it's the MANOJ BOTTLE
