
Paddle Magic (with gimmicks) by Keith Fields

These Online Instructions contains 3 paddle routines including what some have called 'The best Paddle trick in the World!' This routine alone is worth the price of admission and will quickly become one of your favorite close-up tricks and you'll always carry it with you. Easy to do and brilliantly routine to provide over a dozen eye-popping magical moments from the simplest of props.

Also included is Keith's Money Knife routine, a brand new paddle trick based on a long forgotten prop and some hilarious bloopers.

Spot paddles included with the access of the online instructions.
