RINGS IMPOSSIBLY MELT THROUGH RINGS, JEWELRY, AND MORE.

Melt is the solution to the long standing problems with linking ring magic. Learn how you can display the action of the rings link with slow, elegant motions. No more quick, jerky movements to hide the secret in your hand. You will be able to separate all of the rings! The chinese linking rings are one of the most famous illusions of all time and *MELT* hurdles this principle light-years ahead.

Never before has the linking rings been able to visually, and etherealy, pass a solid through a solid so slowly and openly. It defies all principles of reality.

Welcome to new future of the linking rings.

Rings included, comes with video instruction link.
