The performer hands out an ordinary key to be examined and shows his hands undeniably empty (with his sleeves rolled up.) He then demonstrates a shocking series of optical illusions with the key, and finishes by somehow pushes his finger through the tiny hole in the key. A moment later, the key is handed back to the spectator's for close examination.

- Instantly resets
- Requires only basic sleight of hand
- Custom gimmick fits all sizes of fingers

BONUS TRICK: RAINDANCE - Jay reveals the secrets to his extremely cool 'Raindance' effect where he causes a sip of water or liquor to appear inside the cap of an ordinary Sharpie marker
