
Hungry? by Mathieu Bich - DVD

Would you like to become more creative and invent tricks using your own methods?

The simplicity of the sandwich effect is precisely what makes it the ideal trick to help you understand, learn and develop a creative process for magic tricks.

Through twelve sandwich effects, **Mathieu Bich** will share with you a few of his tips to help you become more creative.

You will learn fun and amazing techniques and you will understand how to modify a basic effect, turning it into an exercise that will develop your imagination and your trick-inventing skills.
