## **Bicycle Platinum Deck by US Playing Card Co.**

**PLATINUM** features 56 fully customized playing cards like you've never seen. Playing Cards reinvented.

From a lineage of design eloquence comes a new deck of playing cards rendered in platinum. The elements of the design are forged from liquid metal tones, and enhanced by metallic inks. Crafted with rare aesthetics, the Bicycle Platinum is a work of sophistication engineered to last and impress.

The Bicycle Platinum deck is printed at the United States Playing Card Company/Bicycle® the choice of professionals and casinos for over a century!

The deck features 100% original and custom art: faces, backs, court cards, box, and even the pips.
