## N2 Coin Set (Half) by N2G Magic

N2 COIN SET is designed by N2G and it has an extraordinary effect in Coin through glass table. N2 can through a 1.5cm thick glass (or a deck of 50-54 pieces bicycle playing cards). Or few kinds of glass more than 1.5cm.

- Quick and simple to set up
- Start and finish with empty hands
- Each side of the coin can be signed by spectator and magician
- No switches
- Nothing to be get rid of
- Instant reset
- Easy to do
- No angle restrictions
- Examinable

No matter you are a professional, an amateur magician, or even a completely rookie to coin magic, N2 is your best choice.

While it is designed and crafted with great carefulness, it will be your perfect partner in a performance. Besides penetration routine, N2 can be used in almost all kinds of coin effect, penetrations, transpositions, appearances, disappearances, changes and more! Some examples:

- No palm coin to coin purse
- 3 Fly routine. (No shells used)
- Appearance & vanish of two coins
- Matrix
- Coin through bill or sealed bag
- Color change

Plus other possible routines with N2

*(The above effects are not included in the video instructions)*

N2 has been crafted from real Kennedy half-dollars. These normal looking coins are actually exquisitely engineered gimmick that are total examinable before and after the effect.

A high quality coin pouch(gimmicked) is big enough to pack up all of your coin
