
The Complete Walton (Vol.2) by Roy Walton - Buch

These new editions have been completely re-edited, formatted and bound to exceptionally high standards. Published by Davenports Magic of London, using a globally renowned printing company to create the most environmentally sustainable books published in their 114 year history.

Volume 2:

This volume follows the highly acclaimed first volume and comprises over 100 original sleights and effects. Davenports have ensured that Volume Two is a perfect match to Volume One and completes some of the best card effects from a prodigious innovator. This volume has been superbly and comprehensively illustrated by Gordon Bruce one of Britain's most accomplished card conjurors. This work is directed towards the dedicated card magician with a knowledge of sleights and handling.

Pages: - 5.5" x 8.75" - Hard back - Fully illustrated
