
Unreal by Joshua Jay and Luis De Matos - DVD

THE BEST OF MAGIC FROM THE MIND OF JOSHUA JAY

Joshua Jay is a performer, writer and creator. In Unreal he performs and explains some of his finest effects. Practical, tried and tested routines that amaze audiences and confound magicians. The album also includes his professional theatre show recorded at the San Bernardo Theatre in Coimbra, Portugal. For the first time you'll see how Joshua puts together a full evening show. Advice, performance and explanations from one of magic's greatest teachers.

WHAT THE GREATEST ARE SAYING...

JEFF MCBRIDE

"Joshua's magic is thoughtful, practical and powerful."

MICHAEL AMMAR

"This is a must-have in any magic library."

SHIN LIM

"An amazing and influential magician."

DAVID BLAINE

"I consider Joshua an important, emerging voice in our art."

LENNART GREEN

"He scares me because he is so good."

ROBERTO GIOBBI

"One of the most talented, intelligent and influential magicians."

PIT HARTLING

"Original, practical and very strong material."

GREGORY WILSON

"Josh is a massively accomplished talent. It's been great watching the student evolve into the teacher."

SIMON ARONSON

"Unreal is a very real display of Josh Jay's many talents: deceptive magic, amazing technical skill, and engaging his spectators warmth, human interest and humor. Very few one-man magic shows rise to the level of sophisticated, dramatic theatre-"Unreal" is one of them."
