## **Extradimensional space (Baguette) by Pangu Magic**

This is one of the most visual effects you will ever perform! Everyone who sees this thinks *Extra-Dimensional Space* is a camera trick!

Make no mistake! You will be performing this within minutes after receiving it! With No Camera trick, No assistants, and No sleeves, You can produce a Baguette from your BARE HANDS.

Includes all special gimmicks with full instruction.

Instruction which explains the handlings by Taiwan Ben, how to prepare before performance and two different ways to use the gimmick so that you can perform the effect and end clean.
