
Anima (Gimmick and DVD) by Michel & Vernet Magic s

A Breath of Life!

With ANIMA:

- You'll give it for close examination after the performance.
- You'll perform it under any light condition with plain sunlight or in a room with a strong spotlight.
- And you'll be always ready.
- You'll not be hooked up.
- Anima gimmick will give you absolute freedom.
- You'll perform it in any condition: sitting, standing up, outdoor or indoor.
- Perfect for strolling magic.
- This is an angle proof version, for one to one setting or surrounding.

The Phantom Deck

Two selected cards are lost in the deck. The cards are placed in the palm and it moves in a spooky way. Part of the deck moves sideways, then moves back revealing the selected card. Now you repeat it with a second card. Now with Anima you'll perform the strong classic effect but:

- With a borrowed deck.
- With Anima there's NO SET-UP.

Acrobatic Matchbox

A box of wooden matches is animated in an incredible way. It slides around your hand, flipped over by itself and the drawer opens and closes under your control. It's hard to imagine until you see it yourself.

Includes:

- 1 Special Anima Gimmick
- 1 Special Matchbox (No matches)
- 1 Hour full instructions and live performance DVD

Anima is the safest method with no risk. The most practical and useable version.
