
Cash In by Will Tsai and SansMinds s

Imagine you can produce real money in spectator's hands. Your spectator not only sees the money appear, but FEELS the money appear as well. Directly from Will Tsai's working repertoire.

Coin from ear has been a classic of magic. Imagine producing a stack of bills in people's hands. And you can spend the cash right away. Don't just do the magic, live it. Magic, is a life style.

Why Cash In?

1. Very Easy to do
2. Everything is examinable, envelope and money
3. Angle Proof, perform surrounded

When people feel the money appear in their bare hands, the reaction is MASSIVE.

Perform Cash In as an effect, or right before you pay and shop. Cash In is built to amaze!
