
Holely Complete (Original + Beyond Holely) by Will Tsai and SansMinds s

The legendary Holely is back AND BEYOND. This set contains BOTH Original Holely AND Beyond Holely disk sets with according props.

The release of Holely has taken magic world by storm. Holely is a no brainer when it comes to a Hole Moving effect. It's clean, it's REALLY easy, and it's a KILLER!

Now let's go Beyond Holely.

What's Beyond Holely?

Beyond Holely is an extension from the legendary Holely from the mind of Will Tsai. Finally in English for supporters in North America.

Beyond Holely features

1. The world's first self animated hole effect
2. Modern security effect - move a hole on a working credit card.
3. Move the intangible space on borrowed and unprepared items. Bills, receipts, newspaper, you name it! Even onto a water bottle!

Prop included.
