
Magnetic BUG Writer (Pencil Lead) by Vernet

The Magnetic BUG Writer model has been specially designed and manufactured to be used with the "**Vernet Magnetic BUG Holder**".

After many years of professional performances in front of real audience as well as in casual or impromptu performances we developed a **perfect holder** for your BUG Writer.

The "**Vernet Magnetic BUG Holder**" allow you to have your writer on hand, always ready to use and always in perfect conditions. You load and unload the gimmick very easily in front of your audience.

Includes:

1 BUG pencil lead (magnetic)
