
Mysterious Ring by Vincenzo Di Fatta s

The magician shows a ring and a chain and has them checked. He takes them back and magically the ring will instantly link to the chain. The audience won't be able to repeat the trick!

- The ring and chain are made of steel and can be checked.
- Very easy to carry, it can be worn as a normal chain with pendant.
- The ring has a diameter of 5 cm and a thickness of 3 mm. The chain is a closed loop 35 cm long.
