
Miracle Balls (Size 2) by Ickle Pickle

A clear cylinder rests upon a wood base. Another cylinder, specially coated metal foil covered Plexiglas tube is placed over the first. Three balls are put into the cylinder and mysteriously change places. One ball is put in your pocket and magically reappears inside the cylinder.

A great effect for Adults & Children. Quality made! In addition, at the end all can be examined. If you are into magic and traveling shows, this is the perfect size.

Dimensions: 7" (H) x 3" (W) x 3" (L) (17.78cm x 7.62cm x 7.62cm)
