
Mini Card Stickers (12 sheets) by Alan Wong

This package comes with 3 sets, each set containing 4 sheets of mini card stickers with all 52 faces of a complete deck, with 4 extra jokers, 4 extra aces, 10 red backs and 10 blue backs to create all kinds of possibilities for your special magic effects.

- Reveal your prediction on your business card, your spectator's business card, faces of their watch, back of your mobile phone, or your spectator's phone, back of a chosen coin, a borrowed coin, a mini photo frame, a crystal ball, inside a pendant you are wearing, and anywhere you can stick the mini card on!
- Create your original mini card tricks and mini gaff cards: double face, double back, mini 3 card monte, 52-on-1 card etc.
- Secretly communicate a force card to another helper by sticking it on an object or simply on your thumb for them to read.
- Make multiple-outs by sticking your mini cards in multiple places!
- Play human playing card games by labeling each person as a playing card!
- Pack small, play big, for impromptu or set up
- Endless possibilities only limited by your imagination

Think about this:

You are always ready to perform close up card miracles even without a deck of card!

Instantly create magical souvenirs for your spectator that they will KEEP and remember you!

Some great magic to carry in your wallet all the time!

Each package contains 3 sets or 12 sheets of total 240 card stickers without instructions.
