
Kartis Okito Box (B0027) by Tango

The Argentinean master of magicians Kartis, designed his own Okito box over 30 years ago. He performed his coins routines in hundreds of shows using this box. Now, after having kept the secret for most of his life, he has decided to share his box with the magic community.

You will find many routines specially created by Kartis and explained in Spanish and English.

Online instructions available through [Tangopedia](#).
