
Squid Cards Season 2 by Player 456

Squid Cards Season 2 is upon us.

Following on from the sell out success of season one squid cards is back with a new card design, more routines and now printed on game style playing card stock.

With incredibly engaging routines and topical premise **Squid Cards 2** will take your mind-reading, mentalism and ESP routines to another level.

As with the initial release, season 2 is a limited edition, run so don't miss out on the hottest ESP style deck of the decade.

Deck comes with 25 marked symbol Squids Cards, game cards and downloadable instructions with new routines. Also included is the original season 1 download for those who missed out first time round.

Play for fun or play till the death! But just make sure you play the game.
