## **Tarot Monte by Chris Congreave**

A fantastic in the hands packet trick from Chris Congreave the creator of "Cloak"

Beautiful aged Tarot cards are supplied and the routine is easy to perform, instantly resets and you can customize the ending to suit your performing style or for the audience that you are performing for.

In the trailer, you will see Chris performing the routine, but the final reveal can be a special message like "happy 40th birthday" or it could be a slightly rude message for friends or even customized for a client.....

A visual fun routine that you will love performing and you're audience will love it too!
