## King's Game: Apex - Pokerdeck

**Kings Game Playing Cards: Apex Edition** is a custom deck of playing cards, thoughtfully designed to honor the timeless game of chess. Celebrating the iconic figures, strategic nuances, and notable players of chess, with a special focus on the Kings, this deck artfully merges the classic strategy and elegance of chess with the traditional format of playing cards.

Drawing inspiration from the medieval era, it highlights the roles played by each chess piece: king, queen, bishop, knight, rook, and pawn. The design of the card faces, backs, and tuck box is rich in symbolism, offering a genuine tribute to the game of chess. Each aspect of the deck has been meticulously crafted to encapsulate the rich history and strategic depth of chess.

### Features:

- 54 custom poker cards with a foiled back
- A distinctive custom seal
- A custom tuck box adorned with gold, white, and silver foil
