

The Complete Ganson Teach-In Series by Lewis Ganson and L&L Publishing - Buch

Classic magic...
legendary magicians...
and they're now all in one place
for the very first time!

L&L Publishing proudly presents:

The Complete Ganson Magic Teach-In Series

Beginning in the late 1970s, Lewis Ganson, one of magic's most respected writers, produced a series of booklets that featured comprehensive, photo-illustrated instruction in many classic, time-honored effects. Ganson's Magic Teach-In Series booklets became instant classics, providing both beginning and experienced magicians with step-by-step instruction that featured Ganson's clear prose along with scores of clear and concise photographs.

Now, for the first time, L&L Publishing has collected all 17 of these remarkable booklets into an amazing new volume-The Complete Ganson Magic Teach-In Series. You'll find clear instruction in card and coin magic, stage and manipulative effects and much, much more. Plus, in many cases, the original photography was rescreened, making this collection the best these booklets have ever looked. And, even if you could find them all, you would spend much more than the price of this book, particularly at collector's prices. (Even at their original cover price, this new volume represents a savings of almost 70%!)

The Complete Ganson Magic Teach-In Series gathers together the following titles:

Matching the Cards • Rovi Reveals • The Three Card Monte as Entertainment
Bernard's Lesson On Coin Magic • A New Look At the Okito Box Colombini's
Cups and Balls • Two in the Hand and One In The Pocket Bernard's Lesson On
Dice Stacking • The Hindu Thread Trick A New Look at Card Fans • A Fantasy
In Thimbles • Three Chinese Rings Weston's Continuous Cigarette Production •
The Floating and Dancing Cane The Sympathetic Silks • Zombie: The Floating
Ball • Colombini's Rings Supreme

You'll find magic from such luminaries as:

Lewis Ganson • Dai Vernon • Faucett Ross • Fred Lowe • Rovi • Ian Adair
Alex Elmsley • Aldo Colombini • Bobby Bernard • Eddie Joseph • Gerald Kosky
Ken de Courcy • Ali Bongo • Will Ayling • R. C. Buff • Werry
...and many more!

Whether you're a close-up magic enthusiast or a stage performer, you'll find an almost unbelievable wealth of ideas, routines, presentations and sleights in The Complete Ganson Magic Teach-In Series to spark your imagination for many years to come.

Hardcover, 570 pages, cloth binding with gold-foil stamping, matching end sheets and full-color dust jacket.
