

## Trinity Coin Set (with DVD) by Johnny Wong

From Johnny Wong, whose Dream Coin Set was such a spectacular hit, comes one of the most deceptive and practical coin sets ever. **Trinity Coin** is made of three Half Dollars. It looks just like a regular Half Dollar, and it is examinable. You can easily do effects like appearing, vanishing, transposing, penetrating, and more!

Imagine your audience's surprise when one half dollar coin suddenly turns into four and vice versa!

Includes effects like:

- The Combination Trick
- Coin Through the Glass
- Two Coins Through the Glass
- Turning Silver Into Copper
- Six Coin Production
- Three Coin Disappearance

Comes complete with the precision-made Trinity Coin Set, detailed instructions and instructional DVD
