

Color Changing Streamer 100% Silk by Vincenzo Di Fatta s

The magician shows a long black scarf. He shakes it gently and the scarf visibly changes from black to multicolor.

This version is realized in 100% pure silk, for those who care for high quality also in colors and touching feeling.

- Suitable for any kind of audience.
- The scarf is 45" long (115 cm).
- No skill required.
- The effect may also be performed back to front, that is from multicolor to black. Or, after turning the black scarf to multicolor, you can make it go black again.
