

Newspaper Magic Revised Edition - Buch

The Revised Edition of a classic tome, NEWSPAPER MAGIC by Gene Anderson and Frances Marshall.

There's few things more common, less suspicious or as inexpensive as a newspaper! Here's a whole book of tricks to be done with your daily paper-some created especially for this book, some gathered from around the world, and some included for completeness sake.

This singular volume includes: Gene Anderson's prize-winning routine, "Extra! Extra!"-a laugh a minute with a newspaper, and his original and internationally renowned "Torn and Restored Newspaper"-fast, direct, clean-just great.

And more... a selection of tricks by Val Andrews, another by Eric Hawkesworth, a section on newspaper work with liquids and silks, one on Clippo and its many possibilities, Martin Gardner on Afghan Bands, classic effects and other newspaper miscellany, ideas, tips and gags.

DOZENS OF TRICKS OF ALL KINDS-"TIMELY" TRICKS! A must-have book for anyone developing a routine in newspaper magic or paper tearing.

Profusely illustrated; newly edited and enhanced with new photographs, with Chicago magician and Magic Inc. demonstrator, Ben Whiting photographed showing many of the effects.
