

Color Vision by Mikame

Wait until you see Mikame Craft's Color Vision made of exotic wood!

Mikame has manufactured a piece of art you'll be glad you have. Show an exotic wood box and lid, also a cube with 6 different colored circles screened on all 6 sides. Ask spectator to put a favorite color on the cube facing up and put the lid on the box. You name their chosen color without actually opening the box!

- Super Smooth Handling!
- Finished Interior!
