

Automatic Thimbles (rainbow color)

Effect

Four mysteriously glowing thimbles magically appear and disappear on your fingertips. The ingenious secret of this precision crafted prop will do nearly all the work for you. Totally self-contained, so you won't have to get close to your jacket even once! In fact, you could do it in your bathing suit... If you think that's wise!

These durable phosphorescent thimbles store light and glow in the dark for hours. Sensational when performed in **UV** light for additional luminescence! Whether you perform in a bar or on a huge stage, **GLOWING** Automatic Thimbles will shed new light onto your magic!

A glowing color change of **RED, WHITE, BLUE, GREEN!**

Very easy to learn
